

# STOP BIG TEX STORAGE!

Don't let developers drop a storage bunker in the middle of the Heights!  
Help us stop it before it becomes a blight on our neighborhood.

- It will be **seven stories tall**, towering over our neighborhood.
- It will **increase truck traffic** driven by inexperienced drivers on our streets.
- It will be a source of **light pollution**, affecting the quality of life for nearby residential streets.
- It is a **lost opportunity** to add businesses that contribute to the vitality of our community.

## CONTACT YOUR REPRESENTATIVES TODAY!

Tell them you want responsible community development and that storage units belong on the freeway.
